

Nordic NMR Network - workshops

Great workshops in retrospect:

- I I 2014 Gothenburg NMR optimized Cell-free hands on, 9-11 September (7 ppts)
- II I 2014 Gothenburg Biomolecular NMR, focus on protein structure, October 13-17 (15 ppts)
- III I 2015 Jyväskylä, NMR optimized Cell-free hands on, August (13 ppts)
- IV I 2015 Gothenburg Biomacromolecular NMR hands on, focus on interaction, October 12-16 (21 ppts)
- V II 2016 Gothenburg Best practice dissemination, January 11-12, (24 ppts) —> additional best practice workshops
- VI II 2016, Aarhus, Best practice, pulse programs, April 25-26, (20 participants), Contact: Frans Mulders,

Upcoming workshops for 2016:

- VII II 2016, Gothenburg Best practice, metabolomics SOPs, May 30-31, Contact: Göran Karlsson
- VIII I 2016, Aarhus, pNMR, a satellite to EUROMAR2016. July, 7-9, Contact: Thomas Vosegaard
- IX I 2016, Copenhagen, Functional Protein Dynamics, August, 15-19, Contact: Birthe Kragelund
- X I 2016 Gothenburg, NMR Dynamics, September 26-20, Contact: Vladislav Orekhov
- XI II 2016, Gothenburg, NMR Fast methods, Nov 10-11, Contact: Maxim Mayzel

Tentative:

- XII I 2016, November, Bergen/Trondheim, Magnetic Resonance, Contact: Frode Rise
